

Invitation/Registration Circular Benelux Conference

25/09/2019

Circular Benelux borders to cross: 'Let's waste less & recycle more'

*Hosted by the Embassy of the Kingdom of the Netherlands in Belgium
Kortenberglaan 4-10, Brussels
25th of September 2019, 10:30 – 16:00*

We invite representatives working in fields related to the circular economy, sector federations, innovative enterprises and government officials to discuss and propose the changes needed to bring a sustainable and profitable Benelux market about. During this event we focus on **ECO-DESIGN**, **PRODUCTION** and **RECYCLING WASTE**.

Therefore we invite you on Wednesday 25th of September 2019 to:

SETTING THE SCENE	With an academic introduction on eco-design by professor Van Doorselaer and a European view by Emmanuel Katrakis (EuRIC), after an address by the Luxemburg presidency of the Benelux.
SHOWCASES	Benelux Recycling Federations and individual companies present inspiring and creative cases, zooming in on opportunities and challenges.
OFFICIAL MOMENT	The Benelux Federations will officially hand over their common position on waste policy.

The conference will be wrapped up by the **Belgian Minister Marghem**, responsible for Energy, Environment and Sustainable Development.

Please find a more detailed program attached to this invitation.

Participation is free, but we do kindly ask you to register, as the number of seats is limited. Please use this [link](#) to sign up.
